Disclosure

Federal regulations require all financial aid recipients to maintain Satisfactory Academic Progress (SAP). HCC has established guidelines to measure whether a student is satisfactorily progressing towards completion of his or her program of study. SAP includes both quantitative and qualitative measures. Standards of SAP determine continued eligibility for aid. SAP measurements include all previous academic history, even if the student did not receive financial aid. Statuses are updated at the end of each semester, including summer. It is the student's responsibility to monitor academic progress. Although the Financial Aid Office attempts to send students correspondence informing them of their status, students who do not meet the standards will be ineligible for financial aid even if they do not receive correspondence. Details of the SAP policy, measurements, and appeal procedures can be found online at https://www.hccs.edu/applying-and-paying/financial-aid/satisfactory-academic-progress/.
